Many times I've gazed along the open road
Many times I've lied and many times I've listened
Many times I've wondered how much there is to know

Many Dreams come true and some have silver linings
I live for my dreams and a pocketful of gold

Mellow is the man who knows what he's been missin'
Many, many men can't see the open road

Many is a word the only leaves you guessin
Guessin bout a thing you really oughta know

G D
I really ought to know
