

C Dm F G
I met a girl at school she only liked happy songs
I sat down and wrote her one really didn't take that long

F G C B Am
Now I'm singing it but She doesn't like it much
It really bored her so she tuned me out at lunch

F G C
Guess I'll have to sing it to myself

C Dm F G
I met a boy at school he only liked happy songs
Sat down and wrote him one it didn't take that long

F G C B Am
Now I'm singing it but he doesn't like it much
He grit his teeth and said it doesn't have the punch

F G C
Guess I'll have to sing it to myself

C Dm F G
Sitting here late at school trying to write a happy song
Another work of art damn near took me all night long

F G C B Am
Now I'm singing it and everyone loves this song
They started dancing and joined in a sing-a-long
Now everybody's happy and they all love this song

F G C
You can can sing it to yourself here it is..

C Dm F G
La la la la la la Be de de de de
Hap Hap Happy song just for you and me

F G C B Am
De de de do de do Do da da do do do
La la la la la la la Do da do do da do

F G C
That's the end of my happy song .. are you happy now?
