

G	D	C	A billion heart beats – paul mcwade
I smell a rose, the joy it brings		a winter's day turns into spring	***GIRL VERSE

<i>See a fool, see a fool full of devotion</i>		<i>See a fool, see a fool fly too high</i>	
<i>Do they think, do they think, that we are crazy</i>		<i>who would dream like fools, but you and I</i>	

G	D
It's when I walk the lonely road	the deepest feelings do evoke

your beating heart keeping me	alive
