

Gazeless Stare – paul mcwade
swing or shuffle beat

E B
On stage late one night
A E
Scanned the crowd 'n see a light
E-cigarette's puffing bright
I caught your gazeless stare

Another day another night
We moved on, another fight
On the road late at night
Wasn't my idea

Amaj7	G#m7	F#m7	E	(e b c# a)
I don't remember		The day we fell in love		
Amaj7	G#m7	F#m7	B	(b a g# f#)
Was it late September or's that		someone else I'm thinking off		

E B
Count the cash, it's much too low
A E
Headin off to another show
The empty words is all I know
don't add up to much

Can't blame ya for giving up
Living in my pick-up truck
Just ain't your kinda luck
But that's the price I'll pay

Amaj7	G#m7	F#m7	E	(e b c# a)
I don't remember		The day that you walked out		
Amaj7	G#m7	F#m7	B	(b a g# f#)
Was it late December or's that		someone else I'm thinking off		

E B
On stage late last night
A E
Scanned the crowd 'n see a light
E-cigarette's puffing bright
I caught a gazeless stare

Another day another night
Moved along, no love in sight
Lonely road's my home tonight
The past has vaporized

Amaj7	G#m7	F#m7	E	(e b c# a)
Do you still remember		the night we fell in love		
Amaj7	G#m7	F#m7	B	(b a g# f#)
Must a been late last summer or's that someone else I'm thinking off
