

Dm7 Em7 Dm7 G

lonely girls so blue. -p. mcwade

C F
You feel so special in your evening gown
Till you bore a baby girl with no soul
G Am
The little girl loved her daddy more than anyone
Em7 F G
although he never stopped to even say hello

C F
he lived his dream high up in the atmosphere
he thinks he's been to Jupiter and Mars
G Am
he smoked his life into nothingness
Em7 F G
repenting daily at some cheap whiskey bar

Dm7 Em7 Dm7 G
Ooo Ooo Ahhh Umm

Em7 Am
little girl ran so far away
sad news no one knew
F G
cause mothers are too busy while
C B Am
while daddy's on the move
F G C
much too fast for lonely girls so blue

C F
Mother loves her precious box of jewelry
mostly diamonds, pearls and gold
G Am
She get a fur coat from another gentleman
Em7 F G
While little girls left out in the cold

C F
Daddy misses dearest mommy
He knows her heart cannot be won
G Am
She never told the girl who her father is
Em7 F G
Cause she thought that he only wanted sons
