Am		
If only I were not me		
-		
And only you were not you		
E7		
Would you and I still be	we	
But a west winds a blowing		
And soon I'll be going		
Am		
toany place I'd rather	be	
Am		
You're tired of waiting		
andanticipating		
undunticipating	E7	
bright city lights	shine everywhere	
l'm not a liar		
For the lackof desire		
	Am	A7
You gotta strike two flints	to spark a fire	Oh, Oh, Oh
-	-	
F	С	
If only I knewmy dreams of love	2	
С	E Am	Am/B Am/C Am/D
Would never come	truewith a girl like yo	
	thue with a girline ye	
_	-	
F	С	
If onlyl could start	over	
C	E Am	
with someone	newanyone but you	
with someone	newanyone but you	
Am		
You love the night life		
You love the night life	E7	
You love the night life I need the hot sun	E7	
You love the night life I need the hot sun I love to ride, youneed to		
You love the night life I need the hot sun I love to ride, youneed to No girl from the City	E7	
You love the night life I need the hot sun I love to ride, youneed to	E7	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City	E7	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am	E7 run Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city	E7 run	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city	E7 run Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid	E7 run Am E7	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains	E7 run Am E7	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid	E7 run Am E7 pace	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains	E7 run Am E7	Α7
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains	E7 run Am E7 pace	<b>A7</b> Oh, Oh, Oh
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open CHORUS Am	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open CHORUS Am If only I were not me	E7 run Am E7 pace Am	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open CHORUS Am	E7 run Am E7 pace Am space	
You love the night life I need the hot sun I love to ride, youneed to No girl from the City Everfell in love with abull riding son of a gun Am You went to the city cause you're so darn pretty Under the spell of its rapid I dream of mountains Without any troubles In ahigh wide open CHORUS Am If only I were not me	E7 run Am E7 pace Am

Am

to any other place I'd rather be

But thewest windsa blowing

Sonow I'm a going
