You said needed me to help you through the night You needed me right away there's no hope in sight

G9

D

C G
Your sky was falling
Your walls came tumbling down
You couldn't find your onlyfriend
Am D
I was nowhere to be found

C9

Well it's too

G9

G D

Late brother, where'd ya go last night

D G

Did I heard you praying something wasn't right

Well it's too

G D

late brother, can you see the light

D G

Is there room in heaven when you lose the will to fight

G9 C9 G9 D

I wish I was the one to help you see the way I couldn't get there I missed you yesterday

C G
I felt you calling

but couldn't make it round

did I fail you as a friend

Am D

Did I let you down
