Remember that Monday Girl (male vocals)

Like she was yesterday

The way she looked at me

took my breath away

It was my little smile (female vocals)

Samba rockin in the rain

I love to laugh with you

Sleep on the beach all day

When she leaned on me (male vocals)

My heart just skipped a beat

All of those little things

Made a change in me

He watched me brush my hair (female vocals)

Till it shined like the sun

My soothing carefree way

Attracts many young men

When I held her hand (male vocals)

Got lost in her beautiful eyes

Remember that Monday Girl

Like she was yesterday

When he leans on me (female vocals)

My heart doesn't skip a beat

I'm still so carefree

I need to be on the move
