At the junction shuffling

A B  
Direct me Lord I pray

E C#m  
sand between my feet

E F#  
Jesus, help me find peace

A B  
Gaze at blurring trees, wonder

C#m B  
Is he alive?

E C#m  
where's my old man now

A B C#m  
I post no thoughts, still too afraid to ask...

B C#m  
Is this my lost cause?

B  
oh dear God

A B  
Explore the terminal,
