Holy Father, what the hell makes you tick
Is it the rosary or am I the noose around your neck
Do you think you are the chosen one
Without regard or regret

Riff...

D G
Where's the man inside of you
C G Am
Why hide behind the cloth

D G
I didn't come here to praise you
C G D C D
Only to reason why

Riff...

Am B7 Dm E7 Am
Oh Bloody mother, your impulse was suspect
No golden ring around your finger, and look at what you get
Do you think he was the chosen one, suppose to save your life
Now it's our living nightmare, I fight it every night

Riff...

D G
Is there a heart inside of him,
C G Am
He lives the coward's life

D G
Victory to her steadfast brow
C G D CaddD D
We go gently into the night
