Oh Holy Father we are now staring face to face
There is nowhere that you can hide, you've got a price to pay

The cost of love abandoned is remarkably high
I'm am the hell bound piper, you must pay me with your life

Am B7 Dm Em7 Am
Look dearest Father, the blood is running from my eyes
As I stab your Holy crucifix deeper into your spiritual sublime

I've sent you to meet St. Peter
C G Am
At his pearly gates

D G
Did you really think he'd book your name
C G D C D
Hell no! Satan's fate awaits

Oh Holy Mother, sing a song of love
You shall call me Oedipus, I am your only son
Join me on a trip tonight, come take my hand
I've paid our one way fare, now I will be your man
