|---------------------|-----------------------|
| D | |
| I'd like to ask you | just one thing |
| Em | |
| And prove my love | with a diamond ring |
| A | |
| Fly so high | like a bird in spring |
| G | D |
| Take my hand | I pray and sing |

| | |
|---------------------------|-----------------------|
| D | |
| I got this feeling | (Sing of love) |
| Em | |
| Can you hear me | (Singin loud) |
| A | |
| Feel the rhythm | (Of my heart) |
| G | D |
| Will you be | (My true love) |

| | |
|---------------------|------------------|
| D | |
| When I asked you | to marry me |
| Em | |
| You weren't so sure | I could see |
| A | |
| I sang a song | of spark and woo |
| G | D |
| You took my hand | it's me and you |
