

Em Em/D# Em/D Em/C# (Riff)

High time
to testify
about the lie
that wrecked my life

G C
But I'll never see
an apology from
the silent thief
who stole my peace
B7
And harmony

Em.....
So mean
beyond belief
there was no relief
from my endless grief

G C
But I'm well aware
That you just don't care
No coincidence
That the evidence
B7
proves'em wrong

C9 G9
Guilt free
Tragedy
You blame me
B7
But I'm not the one

SOLO(VERSE and CHORUS)

Em....
Two sons
One for fun
I miss mine
When you took one

G C
Yet nothings fair
When you just don't care
Will you stop and stare
Let's make it clear
B7
No one's there

CHORUS

2x
