

There ain't no – p mcwade

C F C
there ain't no fibs in heaven
there ain't no cheaters too
it ain't not place for liars
C G C
No place for me nor you

C F C
I once was president
Climbed the Eiffel Tower
Swam the Pacific ocean
C G C
When I was ninety-two

F G
you gotta find the time to mend your crimes
C B Am
to make what's wrong is right
F G
cause if you don't, well the lord just wont
C B Am
let you change his mind
F G C
cause there ain't no use in lyin

I almost got me married
To a beauty with a broken tooth
She lied that I once hit her
Now ya know that ain't the truth

Now I get me women ugly
And I even get'm fat
I'll lie and say I love'em
Till I'm done with this and that

CHORUS

C F C
there ain't no love in hades
there ain't no sun shine too
it aint not place for truthin
C G C
As I'm lookin up at you

C F C
there ain't no wings for liars
there ain't no wings for cheats
you'll never go to heaven
C G C
Come down'n drink with me

CHORUS
