

Be Thankful For what You Got - William DeVaughn

A

Though you may not drive
Gangsta whitewalls
You may not have
But remember brothers and sisters
Just be thankful for what you've got

G

a great big Cadillac
TV antennas in the back
a car at all
You can still stand tall

Though you may not drive

a great big Cadillac

A

**Diamond in the back, sunroof top
Diggin the scene**

With a gangsta lean, wooh-ooh-ooh

Gangsta whitewalls
You may not have
But remember brothers and sisters
Just be thankful for what you've got

TV antennas in the back
a car at all
You can still stand tall

**chorus
chorus
chorus**

Though you may not drive
Gangsta whitewalls

a great big Cadillac
TV antennas in the back

You may not have
But remember brothers and sisters

a car at all
You can still stand tall

**chorus
