

A
Sugar pie honeybunch,
Bm
I can't help myself,

In and out my life,
Leaving just your picture behind,

When you snap your fingers,
I come a running to you,

and there's nothing I can do,
I can't help myself..no,

Sugar pie, honey bunch,
I can't help myself,

Wanna tell you I don't love you,
But everytime I see your face,

A
When I call your name, girl,
burning in my heart,
No matter how I try,

A
Sugar pie honeybunch,
Bm
I can't help myself,

Sugar pie, honeybunch,
I can't help myself,

Sugar pie, honeybunch,
I can't help myself...

E
Can't Help Myself - Four Tops
you know that I love you,
D e e
I love you and nobody else.

you come and you go,
and I kissed it a thousand times, or so.

or wink your eye,
I'm tied to your apron strings

ohhh..
I can't help myself, ooh.

I'm weaker than a man should be.
I'm a fool in love you see.

tell you that we're through, And I've tried.
I get up all choked up inside.

it starts the flame,
tearin' it all apart,
my love I cannot hide.

E
you know that I'm weak for you.
D e e
I love you and nobody else.

I'll do anything you ask me to.
I want you and nobody else.

you know that I love you.
