

D# A# G# A# (x4)

D# A# G# A#

Ahhh, in this life I've seen everything I can see, woman.

I've seen lovers flying through the air, hand in hand.

I've seen babies dancing in the midnight sun.

and I've seen dreams that came from the heavenly skies above.

I've seen old men crying at their own grave sides.

and I've seen pigs, all sitting, watching picture slides.

G# D# A# G#

but I....I never seen nothing like you.

D# A# G# A#

Do ya, do ya want my love, woman?

Do ya, do ya want my love, I say?

Do ya, do ya want my face, I need it?

Do ya, do ya want my mind?

D# A# G# A#

Well, I heard the crowd singing out of tune

as they sat and sang Auld Lang Syne, by the light of the moon.

I heard the preachers banging on their drums..

G# D# A# G#

but I, I never heard nothing, like you.

D# A# G# A# (x3)

G# D# A# G#

Aaaaaaaahhhhhhhhhh!

CHORUS

D# A# G# A#

Well, I think you know what I'm trying to say, woman.

That is, I'd like to save you for a rainy day.

I've seen enough of the world to know, baby, yeah.

that I've got, to get it on, to get it on, tomorrow.

CHORUS (x2)
