

Dream Weaver - Gary Wright

Am G F
I've just closed my eyes again;
Am G F G
climbed aboard the Dream Weaver train
C G F
Driver take away my worries of today,
 C G F G
and leave tomorrow behind

 C F
Ooo, Dream Weaver,
 C F C F
I believe you can get me through the night
 C F
Ooo, Dream Weaver,
 C F C F G
I believe we can reach the morning light

Am G F
Fly me high through the starry skies;
Am G F G
maybe to an astral plane
C G F
Cross the highways of fantasy;
C G F G
help me to forget today's pain

CHORUS

Am G F
Though the dawn may be coming soon;
Am G F G
there still may be some time
C G F
Fly me away to the bright side of the moon,
 C G F G
and meet me on the other side

CHORUS
