

F G  
You should have seen by the look in my eyes, baby  
There was somethin' missin'  
You should have known by the tone of my voice, maybe  
But you didn't listen  
You played dead, but you never bled

Am G  
Instead you laid still in the grass all coiled up and hissinn'

F G  
And though I know all about those men  
Still I don't remember  
Cause it was us, baby, way before then, and we're still together.  
And I meant, every word I said

Am G  
When I said that I loved you I meant that I loved you forever.-

C F G  
And I'm gonna keep on lovin' you

C F G  
Cause it's the only thing I wanna do  
Am

G  
I don't wanna sleep, I just wanna keep on lovin' you.

C F G  
Baby, I'm gonna keep on lovin' you

C F G  
Cause it's the only thing I wanna do

Am G  
I don't wanna sleep, I just wanna keep on lovin' you?
