It's midnight up in Harlem

SOLO VERSE

E E6 Emaj7 E
I went down to the river
Amaj7 A6 Amaj7 A6
And I took a look around

E E6 Emaj7 E
There were old man's shoes
Amaj7 A6 Amaj7 A6
There were needles on the ground

E E6 Emaj7 E
No more mysteries, baby
Amaj7 A6 Amaj7 A6
No more secrets, no more clues

E E6 Emaj7 E
The stars are out there
Amaj7 A6 Amaj7 A6
You can almost see the moon

A
The streets are windy
G#7 C#m7
And the subway's closing down
A
Gonna carry this dream
G#7 C#m7
To the other side of town.
