When marimba rhythms

F#m B7

start to play

Em

make me sway

Like a lazy ocean

C7 B7

hugs the shore

Em

sway me more

Like a flower bending

F#m B7

in the breeze

Em

sway with ease

When we dance you have

C7 B7

a way with me

Em

sway with me

**G**

**Other dancers may**

**D7**

**But my eyes will**

**G**

**Only you have that**

**B7**

**When we sway I go**

F#m B7

Dance with me,

C7 B7

Hold me close,

F#m B7

Bend with me,

C7 B7

Stay with me,

**D7**

**be on the floor**

**G**

**see only you**

**D# B7**

**magic technique**

**Em C7 B7**

**weeeeeeeeeeeeaaaaaaak**

I can hear

F#m B7

the sounds of violins

Em

it begins

F#m B7

Long before

Make me thrill

C7 B7

As only you know how

em

sway me now

C7 B7

Sway me smooth

C7 B7

As only you know how

em

sway me now

C7 B7

Sway me smooth
