

C                      Bb  
White bird in a golden cage  
On a winter's day, in the rain  
White bird in a golden cage  
C                      C  
Alone.

**WHITE BIRD.....** its a beautiful day

The leaves blow 'cross the long black road  
To the darkened sky, in its rage  
But the white bird just sits in her cage  
Unknown.

**F                      Ab                      C**  
**White bird must fly or she will die**

**CHORUS**

C                      Bb                      (8 times)

The white bird dreams of the aspen tree  
With her dying leaves turning gold...  
But the white bird just sits in her cage  
Growing old

**CHORUS                      (2 times)**

Cm                      Gm  
The sunsets come, the sunsets go  
Ab                      G  
The clouds float by, the earth turns slow  
Cm                      Ab                      (tacet)  
And a young bird's eyes do always glow  
                                 C      Bb  
And she must fly  
And she must fly  
And she must fly

Cm                      Bb                      (8 times)  
Cm                      Dm                      G                      Ab                      (4 times)  
C                      Bb                      (16 times)

White bird in a golden cage  
On a winter's day, in the rain  
White bird in a golden cage  
Alone.

**CHORUS                      (4 times)**
