

I'm all out of love - Air supply

F C
I'm lying alone with my head on the phone,
F C
thinking of you 'til it hurts
F Em
I know you hurt too, but what else can we do,
Am F G
tormented and torn apart.

F C
I wish I could carry your smile in my heart,
F C
For times when my life seems so low.
F Em
It would make me believe what tomorrow could bring,
Am F G
When today doesn't really know.
G
Doesn't really know.

C G
I'm all out of love, I'm so lost with you,
Am F G
I know you were right, believing for so long.
C G
I'm all out of love, what am I without you,
Am F G C
I can't be to late to say that I was so wrong.

F C
I want you to come back and carry me home,
F C
Away from these long, lonely nights.
F Em
I'm reaching for you. Are you feeling it too?
Am F G
Does the feeling seem oh, so right?

F C
And what would you say if I called on you now,
F C
And said that I can't hold on?
F Em
There's no easy way, it gets harder each day,
Am F G
Please love me or I'll be gone.
G
I'll be gone.

C G
I'm all out of love, I'm so lost with you,
Am F G
I know you were right, believing for so long.
