G
Baby use to stay out all night long
made me cry done me wrong
She hurt my eyes open, that's no lie
Tables turning, now it's her turn to cry

G   D
Because I used to love her
C   G
But it's all over now
      D
Because I used to love her
C   G
But it's all over now

G
Well, she used to run around with every man in town
Spent all my money playin' a high-class game
She put me out, it was a pity how I cried
The tables turning, now it's her turn to cry

G
    Well, I used to wake up in the morning
    Get my breakfast in bed
    When I gotten worried
    She could ease my aching head
    But now she's here and there
    With every man in town
    Instead of trying to take me
    For that same old clown
