I can see why you think you

A G D
belong to me.

A G D
I never tried to make you think,

A
Or let you *SEE* one thing for

D C
yourself But now your off with someone else & I'm

D C E
Alone You see I thought that I might keep you for my own.

A G D
Amie, what you wanna do?

A G D
I think I could stay with you for a

Bm E
while, maybe longer if I do.

A G D
Don't you think the time is right

A G D
for us to find

A G D
All the things we thought weren't proper

A
could be right in time And can you

D C
see, Which way we should turn together or

D C E
Alone I can never see what's right or what is wrong

CHORUS

A G D
Now it's come to what you want you've

A G D

A G D
And all the things you though before

A
just faded into gray And can you

D C
see, That I don't Know if its you or if its

D C E
me If its one of us I'm sure we'll both will see

Falling in and out of love with you
