

And she was – talking heads

E        A        E

And she was lying in the grass  
And she could hear the highway breathing  
And she could see a nearby factory  
She's making sure she is not dreaming

Bb        F        C        F

See the lights of the neighbor's house

Bb        C        F

Now she's starting to rise

Bb        F        C        F

Take a minute to concentrate

Bb        G        C

And she opens up her eyes

E        A        D        A

The world was moving, she was right there with it  
And she was  
The world was moving she was floating above it  
And she was

E        A        E

And she was drifting through the backyard  
And she was taking off her dress  
And she was moving very slowly  
Rising up above the earth

Bb        F        C        F

Moving into the universe

Bb        C        F

Drifting this way and that

Bb        F        C        F

Not touching the ground at all

Bb        G        C

Up above the yard

E        A        D        A

The world was moving, she was right there with it  
And she was  
The world was moving she was floating above it  
And she was

Bm

She was glad about it ... no doubt about it  
G

She isn't sure about where she's gone

Bm

No time to think about what to tell them

G

No time to think about what she's done

E        A        E

And she was

And she was looking at herself

And things were looking like a movie

She had a pleasant elevation

She's moving out in all directions

Bb        F        C        F

Oh, oh, oh, ...

Bb        C        F

Oh, oh, oh, ...

Bb        F        C        F

Oh, oh, oh, ...

Bb        G        C

Oh, oh, oh, ...

E        A        D        A

The world was moving, she was right there with it

And she was

The world was moving she was floating above it

And she was

Joining the world of missing persons

And she was

Missing enough to feel alright

And she was
