When we were at school, our games were simple  
I played a janitor, you played a monitor  
Then you played with older boys and prefects  
C F/A /Ab G  
What's the attraction in what they're doing?

**C F Gsus4 C F Gsus4**  
**Hey, Carrie-Anne, what's your game now, can anybody play?**  
**Hey, Carrie-Anne, what's your game now, can anybody play?**

C F/A C/G C F/A C/G  
You were always something special to me  
Quite independent, never caring  
You lost your charm as you were aging  
C F/A /Ab G  
Where is your magic disappearing?

## CHORUS

You're so - so like a woman to me (so like a woman to me)

## CHORUS

People live and learn, but you're still learning  
You use my mind and I'll be your teacher  
When the lesson's over, you'll be with me

Then I'll hear the other people saying
