

E A  
 Well I woke up to the sound of silence and guns  
 were cutting like knives in a fist fight  
 And I found you with a bottle of wine  
 your head in the curtains and heart like the 4th of July

E  
 You swore and said we are not  
 F#  
 we are not shining stars  
 G#  
 This i know  
 A2  
 cause i never said we are

E A  
 Though I've never been through hell like that  
 I've closed enough windows to know you can never look back

E A B  
**If you're lost and alone, or you're sinkin like a stone**  
**Carry on**  
**May your past be the sound of your feet upon the ground**  
**Carry on**  
 E A E A  
**Carry on carry on**

E A  
 So I met up with some friends at the edge of the night  
 at a bar off 75  
 And we talked and talked about how our parents will die  
 All our neighbors and wives

E  
 But i'd like to think  
 F#  
 I can cheat it all  
 G# A2  
 to make up for the times i've been cheated on  
 E  
 And it's nice to know  
 F#  
 when i was left for dead  
 G#  
 I was found and I know not these streets  
 A2 B2  
 I am not the ghost you want to be

**CHORUS**

A E B  
 My head is on fire, but my legs they're fine  
 Cause after all, they are mine  
 Lay your clothes down on the floor, close the door, hold the  
 phone  
 show me how, no one's ever gonna stop us now

E F# G# A2  
 E F# G# A2

E F#  
 Cause we are, we are shining stars  
 G# A2  
 We are invincible, we are who we are  
 E F#  
 On our darkest day, when we're miles away  
 G# A2 B2  
 Sun will come, we will find our way home

**CHORUS**
