Bm                      A  
Baby, do you understand me now  
G                      F#  
Sometimes I feel a little mad  
Bm                      A  
Well don't you know that no-one alive can always be an angel  
G                      F#  
When things go wrong I seem to be bad

D                      Bm  
**I'm just a soul who's intentions are good**  
G    [N.C.]                      Bm  
**Oh Lord please don't let me be misunderstood**

intro (2X)

Baby, sometimes I'm so carefree  
With a joy that's hard to hide  
And sometimes it seems that all I have to do is worry  
And then you're bound to see my other side

### chorus

Bm                      A  
G                      A                      G                      A  
If I seem edgy,                      I want you to know  
G                      A                      D                      Bm/F#  
That I never mean                      to take it out on you  
G                      A                      G                      A  
Life has it's problems                      and I get my share  
G                      F#  
And that's one thing                      I never mean to do,                      'cause I love you

Bm                      A  
Oh, oh, oh, baby, don't you know I'm human  
G                      F#  
Have thoughts like any other one  
Bm                      A  
Sometimes I find myself long regretting  
G                      F#  
Some foolish thing, some little simple thing I've done
