Chorus

SOLO

E D
When you hear the music you make a dip
Into someone else's pocket then make a slip
Steal a car and go to Las Vegas
oh, the gigolo pool.

Hanging out by the state line,
Turning holy water into wine
Drinkin' it down,
Oh

I'm on a bus on a psychedelic trip
Reading murder books tryin' to stay hip
I'm thinkin' of you
you're out there so

Say your prayers.
Say your prayers.
Say your prayers.

SOLO

E C#m
Now I close my eyes
G#m
And I wonder why
B
I don't despise

E C#m
Now all I can do
G#m
Is love what was once
B
So alive and new
F#m
But it's gone from your eyes
B
I'd better realize

Chorus

And now it's getting worse
