

C7 F7

Seems I got to have a change of scene
Cause every night I have the strangest dreams

Imprisoned by the way it could've been
Left here on my own or so it seems

I got to leave before I start to scream
But someone's locked the door and took the key

C7 F7

Feelin' alright
Not feelin' too good myself
Feelin' alright
Not feelin' too good myself

Boy you sure took me for one big ride
Even now I sit and wonder why

And when I think of you I start to cry
I just can't waste the time I must keep dry

Got to stop believin' in all your lies
Cause I got to much to do before I die

CHORUS

Don't get too lost in all I say
If half the time I really felt that way

That was then and now it's today
Can't get off yet and so I'm here to stay

Before someone comes along and takes my place
With a different name and yes a different face

CHORUS
