## I Need to Know - Marc Anthony

Am E  
They say around the way you've asked for me  
E7 Am  
There's even talk about you wanting me  
E  
I must admit that's what I want to hear  
E7 Am  
But let's just talk until you take me there, oh

E  
**If it's true don't leave me all alone out here**  
E7 Am  
**Wondering if you're ever gonna take me there**

**Tell me what you're feeling**  
E  
**Cause, I need to know**  
E7 Am  
**Girl you gotta let me know which way to go**  
E  
**Cause, I need to know, I need to know**  
E7 Am  
**Tell me baby girl cause I need to know**  
E  
**I need to know, I need to know**  
E7 Am  
**Tell me baby girl cause I need to know**

E  
My every thought is of us being true  
E7 Am  
It's getting harder not to think of you  
E  
Girl I'm exactly where I want to be  
E7 Am  
The only thing's I need you hear with me, oh
