

D                                  A                                  Bm  
 Like the pine trees linin' the windin' road  
 G                                  A                                  D  
 I've got a name, I've got a name  
 D                                  A                                  Bm  
 Like the singin' bird and the croakin' toad  
                                 E7                                  A  
 I've got a name, I've got a name

I've got a name - jim croce

F#m                                  G                                  D  
 And I carry it with me like my daddy did  
 F#m                                  Bm                                  E7                                  A  
 But I'm livin' the dream that he kept hid  
 F#m                                  G  
 Movin' me down the highway  
 F#m                                  B7  
 Rollin' me down the highway  
 G                                  A                                  C \ D  
 Movin' ahead so life won't pass me by

D                                  A                                  Bm  
 Like the north wind whistlin' down the sky  
 G                                  A                                  D  
 I've got a song, I've got a song  
 D                                  A                                  Bm  
 Like the whippoorwill and the baby's cry  
                                 E7                                  A  
 I've got a song, I've got a song

F#m                                  G                                  D  
 And I carry it with me and I sing it loud  
 F#m                                  Bm                                  E7                                  A  
 If it gets me nowhere, I'll go there proud  
 F#m                                  G  
 Movin' me down the highway  
 F#m                                  B7  
 Rollin' me down the highway  
 G                                  A                                  C \ D  
 Movin' ahead so life won't pass me by

**SOLO                  D      And I'm gonna go there free . . .**

D                                  A                                  Bm  
 Like the fool I am and I'll always be  
 G                                  A                                  D  
 I've got a dream, I've got a dream

D                                  A                                  Bm  
 They can change their minds but they can't change me  
 E7                                  A  
 I've got a dream, I've got a dream

F#m                                  G                                  D  
 Oh, I know I could share it if you want me to  
 F#m                                  Bm                                  E7                                  A  
 If you're going my way, I'll go with you  
 F#m                                  G  
 Movin' me down the highway  
 F#m                                  B7  
 Rollin' me down the highway  
 G                                  A                                  C \ D  
 Movin' ahead so life won't pass me by
