A Royals - Lorde

I've never seen a diamond in the flesh

I cut my teeth on wedding rings, in the movies [G D]

And I'm not proud of my address

in the torn up town No postcode envy

But every song's like:

A

gold teeth, grey goose, trippin' in the bathroom Blood stains, ball gowns, trashin' the hotel room

G D

We don't care - we're driving Cadillacs in our dreams

But everybody's like:

Α

Cristal, Maybach, diamonds on your timepiece Jet planes, islands, tigers on a gold leash

G D

We don't care - we aren't caught up in your love affair

Α

And we'll never be royals - It don't run in our blood

G

That kind of lux just ain't for us We crave a different kind of buzz

Α

Let me be your ruler - you can call me Queen Bee

G

And baby I'll rule, I'll rule Let me live that fantasy

Α

My friends and I we've cracked the code

We count our dollars on the train to the party [G D]

And everyone who knows us knows that

we're fine with this

We didn't come from money

Pre-Chorus

Chorus

Δ

oh ooh oh ohh

G

We're bigger than we ever dreamed And I'm in love with being queen

Α

oh ooh oh ohh

G

Life's a game without a care We aren't caught up in your love affair

Chorus
