

Take It Easy On Me - Little River Band

D A  
It used to be so easy to be your lover  
D A  
We wandered through the days like they had no end  
D A  
But now that you are gone, I'm undercover  
D A  
I just can't think about you as a friend  
  
D A  
Take it easy on me, it should be easy to see  
F#m E  
I'm getting lost in the crowd, nearly crying out loud  
D A F#m  
Just want you to know, I know that you have to go  
B D A  
It's all up to you, but whatever you do, take it easy on me

D A  
So now I'll go the minstrel road without you  
D A  
I know there will be times when I'll need you there  
D A  
And each night as I sing those songs about you  
D A  
I'll think back to the time when you used to care

**CHORUS**

A Dsus D A  
Take it easy on me, oh baby don't leave me cryin'  
A Dsus D A  
It should be easy to see, I've needed you for so long  
Dsus D F E  
Just one more chance, will you, one more chance will you take a chance  
E  
C'mon and take a chance

**SOLO**

**CHORUS**

B D A  
It's still up to you, but whatever you do, take it easy on me
