

Dm

If I could save time in a bottle
The first thing that I'd like to do
Is to save every day till eternity passes away
Just to spend them with you.

Dm

If I could make days last forever
If words could make wishes come true
I'd save every day like a treasure and then
Again, I would spend them with you.

D

But there never seems to be enough time

G A

To do the things you want to do Once you find them

D

I've looked around enough to know

G A

That you're the one I want to go through time with.

Dm

If I had a box just for wishes
And dreams that had never come true

Dm

The box would be empty except for the memory
Of how they were answered by you
