

TIMELESS MELODY - THE LA's - Lee Mavericks

A E
The melody always finds me
Breaking a chain inside my
The melody chord unwinds me
A E
Brushing the hands of time

G D

When ever the thought reminds me
head
the rhythm of life unties me
Gmaj7
away

A	D
If you look in your	mind
Do you know what you will	find?
D	
Open your mind...	

A E

Even the words they fail me
I never say what I want to
It's only a word believe me

A E

I promise I'd send the world

G D
Oh look what it's doing to me
say
If only the word could see me
Gmaj7
away

CHORUS

SOLO

A E
The melody always finds me
Breaking a chain inside my
The melody chord unwinds me
A E
Brushing a silent child

G D

When ever the thought reminds me
head
the rhythm of life unties me
Gmaj7
away

CHORUS

D
Open your mind
Open your mind...
