

E Esus4 E Esus4

Capo 3

E Emaj7  
 I just can't help believin' when she smiles up soft and gentle,  
 F#m B7 E Esus4 E Esus4  
 With a trace of misty morning and a promise of tomorrow in her eyes.  
 E Emaj7  
 And I just can't help believin' when she's lyin' close beside me,  
 E7 A Am  
 And my heart beats with the rhythm of her sighs.

E A E A  
**This time the girl is gonna stay,**  
 Emaj7 A6 B Bsus2 B  
**This time the girl is gonna stay**  
 E Esus4 E Esus4  
**For more than just a day.**

E Emaj7  
 I just can't help believin' when she slips her hand in my hand,  
 F#m B7 E Esus4 E Esus4  
 And it feels so small and helpless that my fingers fold around it like a glove.  
 E Emaj7  
 And I just can't help believin' when she's whisperin' her magic,  
 E7 A Am  
 And her tears are shinin' honey sweet with love.
