

## Nights On Broadway - The Bee Gees

Am Em  
Here we are, in a room full of strangers  
Am Em  
Standing in the dark, when your eyes could not see me.  
F Fm C  
Well, I have to follow you, though you did not want me to  
Dm E  
But that won't stop my loving you, I can't stay away.

### CHORUS:

C Em  
Blaming it all, on the nights on Broadway,  
F  
singing them love songs,  
Fm  
singing them straight to the heart songs.  
C Em  
Blaming it all, on the nights on Broadway,  
F  
singing them sweet sounds,  
Fm  
to that crazy, crazy town.

Am Em  
Now in my place there are so many others  
Am  
Standing in the line,  
Em  
how long will they stand between us?  
F  
Well, I have to follow you,  
Fm C  
though you didn't want me to  
Dm  
But that won't stop my loving you,  
E  
I can't stay away.

### CHORUS
