

Vienna waits for you - billy joel

C G
Slow down you crazy child
D Em
You're so ambitious for a juvenile
C
But then if you're so smart
G D
Tell me why are you are still so afraid?

C G
Where's the fire, what's the hurry about?
D Em
You better cool it off before you burn it out
C
You got so much to do
G D
And only so many hours in a day

C G
But you know that when the truth is told
D Em
That you can get what you want or you can just get old
C
You're gonna kick off
Em A
Before you even get halfway through
Am
When will you realize
D G
Vienna waits for you

Slow down you're doing fine
You can't be everything you want to be
before your time
Although it's so romantic
On the borderline tonight

Too bad but it's the life you lead
You're so ahead of yourself
that you forget what you need
Though you can see when you're wrong
You know you can't always see when you're right

You've got your passion, you've got your pride
But don't you know only fools are satisfied?
Dream on
But don't imagine they'll all come true
When will you realize
Vienna waits for you

Slow down you crazy child
Take the phone off the hook and disappeaar for a while
It's alright You can afford to lose a day or two
When will you realize...Vienna waits for you.
