All of these lines across my face, tell you the story of who I am  
F#m D  
So many stories of where I've been, and how I got to where I am  
A E F#m D  
But these stories don't mean anything, when you've got no one to tell them to  
A E A D A

A E  
I climbed across the mountain tops, swam all across the ocean blue  
F#m D  
I crossed all the laws and I broke all the rules and baby I broke them all for you  
A E F#m D  
Oh because even when I was flat broke, you made me feel like a million bucks  
A E A D(2 strums) A(one strum)

A E  
You see the smile that's on my mouth it's hidin' the words that don't come out  
F#m D  
All of the friends who think that I'm blessed, they don't know my head is a mess

A E F#m D  
No they don't know who I really am and they don't know what I've been through

Like you do and I was made for you

A E A  
Yea well it's true, that I was made for you
