E    A        G  
There's somethin' happenin' here.      (whoo ooh)  
What it is ain't exactly clear.  
There's a man with a gun over there  
A-tellin' me I've got to beware.

## For What It's Worth - Buffalo Springfield

**A7** **E**  
**I think it's time we stop.**

**D**  
**Children, what's that sound?**

**A** **C**  
Everybody look what's goin' down.

## INTRO

E                                  A        G

There's battle lines bein' drawn.  
Nobody's right if everybody's wrong.  
Young people speakin' their minds  
A-gettin' so much resistance from behind.

## CHORUS

E A G

What a field day for the heat.  
A thousand people in the street  
Singin' songs and a-carryin' signs  
Mostly sayin' hooray for our side.

## CHORUS

E                                  A        G

Paranoia strikes deep.  
Into your life it will creep.  
It starts when you're always afraid.  
Step out of line, the men come and take you away.
