I, I wish I could swim
Like the dolphins, like dolphins can swim
though nothing, nothing will keep us together
                        Α
we can beat them, forever and ever
            Bm
                        Α
Oh we can be heroes, just for one day

             Α
I, I will be king
and you, you will be queen
Though nothing, will drive them away
            Bm
                     Α
We can be heroes, just for one day
            Bm
                     Α
we can be us just for one day

i, I can remember (i remember)
standing by the wall (by the wall)
And the guns shot above our heads (over our heads
and we kissed like nothing before (nothing before)
            D
And the shame, was on the other side
oh we can beat them, forever and ever
           Bm
                        Α
and we can be heroes, just for one day
We can be heroes
