We all came out to Montreux
To make records with a mobile
Frank Zappa and the Mothers
But some stupid with a flare gun

On the lake geneva shoreline
We didn't have much time
Were at the best place around
Burned the place to the ground

They burned down the gambling house
Funky Claude was running in and out
When it all was over
But Swiss time was running out

A C
Smoke on the water,
Smoke on the water

It died with an awful sound
Pulling kids out the ground
We had to find another place
It seemed that we would lose the race

a fire in the sky

We ended up at the grand hotel
With the Rolling truck Stones thing just
With a few red lights and a few old beds
No matter what we get out of this

A C
Smoke on the water,
Smoke on the water

G A Em
It was empty cold and bare
outside, Making our music there
We make a place to sweat
I know, I know we'll never forget

a fire in the sky
