

## Don't Let the sun go down on me - Elton John

G  
I can't light, no more of your  
F  
All my pictures, seem to fade to  
F C - Cadd4 - C  
darkness  
G G7  
black and white

G  
I'm growing tired, and time stands still  
F  
Frozen here, on the ladder of my  
F C - Cadd4 - C  
before me  
G G7  
life

G  
It's too late, to save... myself from  
F  
I took a chance, and... changed your way of life  
F C - Cadd4 - C  
falling  
G G7

G  
But you misread, my meaning when I  
F  
Closed the door...., and left me  
F C - Cadd4 - C  
met you  
C G G7  
blind by the light Ohhh

C  
Don't let the sun go down on me  
Am  
Although I search myself, it's always  
C  
I'd just allow a fragment of your  
F (Let ring)  
But losing everything  
Cadd4  
D  
someone else I see  
F G C Bb  
life to wander free  
Dm C F C G C  
is like the sun going down on me

G  
I can't find, oh, the right romantic  
F  
But see me once, and see the way I  
F C - Cadd4 - C  
line  
G G7  
feel

G  
Don't discard me, just because you think I  
F  
But these cuts I... have, they need love...  
F C - Cadd4 - C  
mean you harm  
C G G7  
to help them heal

### Chorus (x2)
