Temptation Eyes - Grass Roots

Am Am7/G  
She's got something that moves my soul  
D7/F# F E  
And she knows I'd love to love her  
Am Am7/G  
But she lets me down every time  
D7/F# F E  
Can't make her mine she's no-one's lover

F G  
Tonight with me she'll be so inviting  
E/G#  
I want her all for myself

A B7/A A B7/A  
Temptation eyes looking through my-my-my soul  
Temptation eyes,  
D  
you got to love me  
E  
Got to love me

Am Am7/G Fmaj7 E7sus4 E7 (2x)  
tonight

Am Am7/G  
Her wild-eyed innocence is just a game  
D7/F# F E  
But just the same my head is spinnin'  
Am Am7/G  
She's got a way to keep me on her side  
D7/F# F E  
It's just a ride that's never ending

F G  
Tonight with me she'll be so exciting  
E/G#  
I want her all for myself
