

Dearly beloved – green day

G#            C  
dearly beloved, are you listening?  
C#            G#            D#  
I can't remember a word that you were saying

G#            C  
are we demented?  
C#            G#            D#  
Or am i disturbed?

G#            C  
The space that's in between insane and insecure  
C#            G#            D#  
oh therapy, can you please fill the void?

G#            C  
Am i retarded?  
C#            G#            D#  
Or am i just overjoyed?

G#            C  
Nobody's perfect and i stand accused  
C#            G#            D#  
for lack of a better word and that's my best excuse
