```
E              C#msus
   I'm not a perfect person
              E
There are many things I wish I didn't do
        C#msus
But I continue learning
              Asus
I never meant to do those things to you
              Bsus
and so I have to say before I go
              Esus
that I just want you to know
```

```
        C#msus            Asus
I've found a reason for me, to change who I used to
be
        Bsus          E
a reason to start over new, and the reason is you
```

```
        C#msus
I'm sorry that I hurt you
              E
It's something I must live with everyday
              C#msus
and all the pain I put you through
        Asus
I wish that I could take it all away
              Bsus
and be the one who catches all your tears
              Esus
thats why I need you to hear
```

Chorus

BRIDGE:
```
              Esus
and the reason is you
              Dsus2
and the reason is you
              Esus
and the reason is you
```

```
E              C#msus

```
              C#msus
I've found a reason to show

              Asus
a side of me you didn't know

              Bsus
a reason for all that I do

              E
and the reason is you
```
