

## Going to California – led zeppelin

G      Gmaj7      G6      G  
Spent my days with a woman unkind  
G      Gmaj7      G6      G      D  
smoked my stuff and drank ,      all my wine

Made up my mind make a new start  
goin' California with an achin      in my heart

someone told me there's a girl out there,  
with love in her eyes and flowers      in her hair

### SOLO

took my chances on a big jet plane,  
never let them tell you that they're      all the same

oh, sea was red ant the sky was grey,  
wondered how tomorrow      could ever follow today

mountains and the canyons start to tremble and shake,  
children of the sun begin      to awake

watchout

Dm  
seems that the wrath of the gods got a punch on the nose, and it started to  
A7  
flow i think i might be sinkin'

Dm  
Throw me a line if i reach you in time, meet you up there where the path runs  
A7  
straight and high.

To find a queen without a king,  
they say she plays guitar and cries      and sings      lalalala

ride a white a mare in the footsteps of dawn,  
tryin' to find a woman who's never never      never been born

standing on a hill in my mountains of dreams,  
telling myself it's not as hard, hard hard      as it seems      mhh
