

E-D/F#-G-A-B/G-C-D-E 2X

Oooh ooohh

EM7 C#min7

Now

DM7

How can it be

Bmin7

That a love

EM7

Carved out of caring

C#min7

Fashioned by fate

DM7

Suffer so hard

Bmin7

From the games

EM7

Played once too often

C#min7 DM7

But making mistakes

Bmin7

Is a part

EM7

Life's imperfections

C#min7

Born of the years

DM7

Is it so wrong

Bmin7 EM7

To be human after all

E-D/F#-G-A-B/G C

Drawn into the stream

D E

Of undefined illusion

E-D/F#-G-A-B/G C

Those diamond dreams

D E

They can't disguise the truth

E-D/F#-G-A-B/G C

That there is something about you

D E

Baby so right

E-D/F#-G-A-B/G C

I wouldn't be without you

D E C#min7

Baby tonight

DM7

If ever our love

Bmin7

Was concealed

EM7

No one can say that

C#min7

We didn't feel

DM7

million things

Bmin7 EM7

And a perfect dream of life

C#min7

Gone

DM7

Fragile but free

Bmin7

We remain

EM7

Tender together

C#min7

Not so in love

DM7

And it's not so wrong

Bmin7 EM7

Were only human after all

E-D/F#-G-A-B/G C

These changing years

D E

They add to your confusion

E-D/F#-G-A-B/G C

Oh and you need to hear

D E

The time that told the truth

E-D/F#-G-A-B/G C

Because there's something about you

D E

Baby so right

E-D/F#-G-A-B/G C

I couldn't live without you

D E

Baby tonight

solo

E-D/F#-G-A-B/G C

Because there's something about you

D E

Baby so right

E-D/F#-G-A-B/G C

I couldn't live without you

D E

Tonight
